

*GOD'S GRACE  
By Sharon Cravens*

*Before God spoke a word  
Creating heaven and earth  
He had a plan in place  
To bless us with His grace*

*He knew that we were sure  
To yield to Satan's lure  
So He had a plan in place  
To bless us with His grace*

*Redemption was His plan  
To send The Perfect Man  
Who on the cross would make  
A sacrifice of grace*

*That Man--His only Son  
The holy, sinless One  
Who suffered in our place  
God's precious gift of grace*

*To heaven He has gone  
Preparing there a home  
For those who have in faith  
Received His saving grace*

*And one day soon He'll call  
His children one and all  
To gather in one place  
Around the throne of grace*

*No sorrow, tears or pain  
Eternal joy will reign  
The blessing of His grace  
Because He had a plan in place*
