

THE SOURCE

by Sharon Cravens

Jesus is the source
Prayer is the key
To calling forth God's power
In the lives of you and me.

Jesus is the source
Prayer is the key
To living a life of selfless love
That others Christ may see.

Jesus is the source
Prayer is the key
To understanding of His Word
His wisdom to receive.

Jesus is the source
Prayer is the key
To salvation and a home in heaven
For all eternity.
